REQUEST FOR CERTIFICATE OF CORRECTION

Dear Commissioner:

Upon review of the above-referenced Letters Patent, the following error was noted that is the mistake of the U.S. Patent Office.

Please correct the following:

In column 16, line 57, "of said mediums; and" should read --of said mediums;--.

The correct language was provided in claim 25 of the response filed on November 24, 2009.

However, the U.S. Patent Office appears to have introduced the error in the issued patent.

This request for correction is made under the provisions of 37 CFR 1.322.

Upon further review of the above-referenced Letters Patent, the following errors were noted that were typographical mistakes that were not the fault of the U.S. Patent Office and that occurred in good faith.

Please correct the following:

Col. 18, lines 25-26, "coupled to each of the first and the second buffering structures" should read --coupled to each of the buffering structure and an additional buffering structure --.

Col. 18, line 27, "between the first and the second buffering structures" should read -- between the buffering structure and the additional buffering structure--.

The above typographical errors were inadvertently introduced in the amendment/response filed on July 3, 2006 which amended claim 38.

This request for correction is made under the provisions of 37 CFR 1.323. The requisite fee under 37 CFR 1.20(a) is provided herewith. It is respectfully requested that a Certificate of Correction be issued.

The Commissioner is hereby authorized to charge shortages or credit overpayments to Deposit Account No. 500393.

Respectfully submitted,
SCHWABE, WILLIAMSON & WYATT, P.C.
